Where Shall We Stay?

\$10

Cover image: Postcards and 1910 Morrie Company map from the Sargeant Memorial Collection, Norfolk Public Library

The Norfolk Public Library Foundation's 2017 Norfolk Historical Calendar celebrates local hospitality, as we respond to the visitor's question "Where shall we stay?" with images of more than a dozen hotels and lodging places from our city's past. From the casual tourist, to the influx of out-of-towners who descended on Norfolk during the Jamestown Exposition of 1907, or the explosion of service personnel and war workers during World War II, there's always been a place for YOU in Norfolk!

The calendar is available for purchase at ALL Norfolk Public Library locations (Aug. 2016), online and select retailers. There is a shipping and handling fee for calendars purchased via mail or online.
